

Conversation Café

You're Invited!

Are you curious to learn how 'the other guys' are thinking? Have you wondered how to talk to others who hold very different points of view? Come experience a **FREE Conversation Café on October 2, 7:30-9:00 p.m.** where we will explore the theme of learning from differences.

Conversation Café is a simple but powerful process that fosters fascinating and lively conversation with a diverse group. It offers an easy-to-use format that helps people feel at ease, speak with sincerity and listen with respect. The result is a shift from small talk to "big talk" about questions that matter.

Learn how to be a conversation host by attending the **FREE workshop from 6:15-7:30 p.m.** offered by Conversation Café co-founder Susan Partnow. You'll be joined by others from around the U.S. attending the National Conference on Dialogue & Deliberation. Invite your friends, family and co-workers to attend!

Join Us! Thursday, October 2, 2008
