A Conversation Café is meeting here soon!

Want to talk with interesting people who...

- *listen intently to what you have to say?*
- *can laugh, question, & exchange ideas?*
- *help you see your own next steps more clearly?*
- *care - about you, each other & the world?*

Conversation Cafés are open, hosted, drop-in conversations among people with diverse views and a shared passion for engaging with others. Held in public spaces like cafés, restaurants and bookstores, Conversation Cafés provide a safe setting for talking with neighbors about things that matter over a cup of coffee or tea.
